Red Nose Day is a fundraising campaign run by the non-profit organization [Comic Relief Inc.](#), a registered U.S. 501(c)(3) public charity.

Red Nose Day brings people together to have fun, raise money and change the lives of kids who need our help the most.

Red Nose Day is on a mission to end child poverty - one Nose at a time. Money raised supports programs that ensure children in need are safe, healthy and educated.

Half of Red Nose Day's grant money will be spent right here in America on projects close to home. The other half will be spent in some of the poorest communities in Latin America, Africa and Asia.

The money raised by Red Nose Day benefits children in some of the neediest communities in the US and some of the poorest communities in the world. Partner charities include Boys & Girls Clubs of America; charity: water; Children's Health Fund; Covenant House; Feeding America; Gavi, the Vaccine Alliance; UnidosUS; Save the Children and The Global Fund.

All of Red Nose Day's grant money supports projects to keep children and young people safe, healthy, educated and empowered.

So, find your nearest Walgreens with \$1 to buy a Red Nose, put on your red nose and take a pic to post online to bring awareness to this great cause on May 24th, 2018!
